How Dasturxon works

Dasturxon is organized around a single office that coordinates managers, kitchens, and couriers, so every order gets the same attention from request to doorstep — no matter which neighborhood you're in.

When you reach out, a manager sets up your subscription and creates your order. The kitchen prepares each dish around your allergy notes, and a courier from your office handles the delivery and keeps the status up to date.

1

You reach out

Message a manager and pick a plan that fits your days.

2

Manager confirms

Payment is confirmed and your order is created.

3

Kitchen prepares

Dishes are prepared around your allergy notes.

4

Courier delivers

Track the delivery in your profile in real time.

Talk to a manager

Have questions about a plan, allergies, or delivery times? A manager from your local office can help right away.
